**Digital Advertising**

The historical Birmingham 8 Theatre is just one reason why people visit downtown Birmingham. While there are many popular and unique businesses throughout the downtown area, visiting the UptownEntertainment.com website is a primary source where these same customers look for movie show times and theatre information. Visitors to the Birmingham 8 theatre also want to know who else is in our neighborhood, and like a good neighbor, we want to help you! Maybe dinner and a movie, a coffee or cocktail after the movie is YOUR next customer. Uptown Entertainment is now providing advertising opportunities through some of our digital assets.
